

Financial Accountant Reinsurance

About Korean Re Switzerland

Korean Re Switzerland (rated 'A stable' by S&P) is a 100% subsidiary of Korean Re Seoul, one of the largest reinsurance groups in the world with more than USD 7.8bn of premium in 2021. Korean Re Switzerland's mission is to further strengthen and expand Korean Re's footprint in the European reinsurance market, building on Korean Re's long-standing track-record. We are committed to providing reinsurance services of the highest standards to deliver value for our clients, shareholders, and employees. For more information about our team and company, please visit www.koreanre.ch.

We aim to become a leading European reinsurer and an agile long-term partner for core placements in all non-life lines of business. We serve national, regional and global clients as well as specialist insurers. Korean Re Switzerland offers a vibrant and fast-moving environment with a capable and highly motivated team. We live an empowered corporate culture with a strong team spirit backed by the exciting long-term ambition and the support of a large and well-established Asian reinsurance group.

About your role

As member of our Finance Team in the center of Zurich, reporting to the CFO, you have the opportunity to be involved in a very diverse range of Finance and Accounting related topics. You collaborate with all departments at Korean Re Switzerland, interact with external suppliers, internal / external auditors and regulators, and you also cooperate with our Head Office in Seoul.

Your main tasks will be:

- Participating in all aspects of the quarterly statutory reporting and close processes, as well as FINMA reporting
- Active involvement in budgeting and forecasting (business plan, capital, cashflow)
- Monitoring and controlling of premiums and commissions
- Handling of internal retrocession processes
- Supporting of internal and external audits
- Supporting of asset management processes
- Processing of monthly payroll
- Supporting the Management on projects and ad hoc requests

This is your opportunity to join a dynamic Finance Team with a strong team spirit in an entrepreneurial environment. You can make a real difference by expanding Korean Re team's capabilities and strengthening our growing footprint in the European markets as a "value-creating reinsurance leader".

About you and your skills

You are a motivated, highly organized person with the following qualifications:

- Graduate degree in Business, Accounting or a related field
- 5 - 10 years of experience in financial and accounting processes, mainly in the (re-) insurance industry
- Experience in reporting, forecasting and controlling
- Strong analytical skills
- Advanced knowledge of MS Excel
- Know-how of Abacus, Alteryx, R and SQL is a plus
- Team player who enjoys working in a high-performance team culture with flat organizational structure and a "hands-on" / "can-do" spirit
- Willingness to assume responsibility in a lean organization
- Fluency in German and English is a must; any other European language is a plus

Interested and willing to make a difference? We are looking forward to getting to know you. Please send your CV to cinthya.sanchez@koreanre.ch.
